

-Language Course Information 2010-

You have been offered participation in a Commission-sponsored language course in Marburg. There will be several course levels to accommodate your own background adequately. This requires your cooperation at this time and we ask you to fill out the attached test according to the instructions and return to us within the next 14 days.

Please send it to the Fulbright Commission in Berlin or mail it us under americanprograms@fulbright.de.

Without the receipt of this test we will not be able to offer the language course benefits.

If you have problems filling out the test please let us know. If your German proficiency is not yet at the level to complete the test, please send it back with your note. This is normal for certain grantees who have been accepted in the program with very little or no German proficiency.

The Marburg team and the Fulbright Commission in Berlin look forward to hosting you in the course.

You will receive additional information on Marburg, the language course and the benefits after we receive your test back.

If you have any questions, please get in touch with us.
