

Special Information on enclosed "Antrag auf Zulassung zum Studium"

Antrag auf Zulassung (Application for University Admission Form)

This is the standard form, however, several universities like the Free University Berlin and the Humboldt University Berlin insist on their own forms which we provide and distribute separately. Please do not fill out the attached admission form if you are going to the Free University Berlin or the Humboldt University Berlin. Not necessary for students in performing music!

The Commission is arranging for your admission at the recommended institution. In an attempt to expedite this procedure, we have enclosed an Antrag auf Zulassung for you and ask that you return the completed form to us as soon as possible. For processing reasons the Commission must submit your (IIE) grant application material (including transcripts, etc.) and this Antrag to the universities. The following instructions should be observed; they refer to sections of the Antrag:

Top: you apply for the Wintersemester 2010/2011
