Program Information

Program Website: <https://www.fulbright.de/>
 Current Application Competition Year: 2022-2023
 Deadline Information: December 31st, 2022
 General Information: The German-American Fulbright Commission (Fulbright Germany) facilitates cross-border international understanding through academic exchange. As the only binational exchange organization in Germany with a US focus, we award around 700 scholarships annually for study, research, teaching and continuing education in the USA and Germany, thereby actively promoting transatlantic dialogue and creating opportunities and space for experiences through various types of encounters. We bring people together.

Academic & Professional Information

Questions marked with an asterisk (*) are required of all applicants for submission. Please review country-specific guidance to determine whether unmarked questions are required.

Curriculum Vitae/Resume*

The curriculum vitae/resume describes academic credentials and demonstrates a record of scholarly achievements. When composing a curriculum vitae/resume, it is important to include:

- Education (universities attended, degrees earned and dates received)
- Professional positions held
- Courses taught and other services provided to students and the home institution
- Publications (provide full citations and list them starting with the most recent)
- Other professional activities, such as workshops, seminars and consultations
- Membership and activities in professional associations
- Professional honors, awards and fellowships
- Community service

The area below asks for similar information, but provides limited space for answers. In the curriculum vitae, you should expand upon these topics to display more completely your accomplishments. It is strongly recommended that you upload in PDF format.
